Legislative funding request;

Dear Ms. Szymanski,

First let me say that the Anchorage Fire Department greatly appreciates your interest and effort in our needs, which in turn supports the citizens of Anchorage.

This request is for Anchorage Fire Department Fire Station Nine, this is one of the older Stations in Anchorage and is in need of improvements until such time as we can remodel or replace the existing Station. We have attached a bid for fabrication and installation of new PPE (Personal Protective Equipment) lockers. The cost of this project is \$20,000.00.

The AFD would also like to request \$5,000.00 for Station 15. \$2,000.00 is to be used towards the purchase and installation of wireless communications and \$3,000.00 towards storage improvements for emergency response equipment.

If you would like further information I can be contacted at 267-5009 or by cell 441-2469. Chief Michelle Weston can also be contacted at 267-5055 or cell 317-7247.

Sincerely,

Jeff Briggs
Senior Captain
